

All Our Babies
A COMMUNITY STUDY

Less than 24 weeks pregnant?

TAKE PART IN THE 'ALL OUR BABIES' COMMUNITY STUDY!

Who can participate:

If you are less than 24 weeks (6 months) pregnant then you can take part. It's **YOUR CHOICE** to participate and your information will stay **PRIVATE**.

What participating involves:

You will complete 3 confidential surveys to gather information about your health, pregnancy and your new baby:

- In early pregnancy
- In late pregnancy
- When your baby is 4 months old

You will receive \$45.00 worth of Superstore gift certificates and a library card for completing the three surveys.

'All Our Babies' is a community based research project. The findings will provide increased understanding of women's needs during pregnancy and will provide strategic information to health care providers, researchers and policy makers to help improve birth outcomes.
